ALLISON FIGURED IT OUT

"As an entrepreneur, I had to figure out strategies that worked for me and my never-sit-still hair-and-makeup artist lifestyle. That's when Hydroxycut Drink Mix came into play."

BETTER WITH HYDROXYCUT

Hydroxycut Drink Mix is the perfect weight-loss supplement for an on-the-go lifestyle. This zero-sugar, zero-calorie, weight-loss ingredient drink mix provides clean sourced energy in a convenient and delicious Wildberry flavor. Formulated with a scientifically researched key weight-loss ingredient to help produce significant weight loss results. $18.99; **www.hydroxycut.com**

In some ways, Allison was like many other fortysomethings. Busy, successful in her career and, overall, everything felt pretty right. Except one thing: physically, she felt as if she was wearing someone else's "body suit." "I had recently turned 46 and all I truly wanted was that jolt of confidence that being physically in shape gave me. I wanted my groove back." So, Allison decided it was time to take the first step. She started walking more and shopping the periphery of the supermarket, filling up her basket with more vegetables and cutting back on sugar. And when she found **Hydroxycut Drink Mix**, that's when it all really started to stick. "I started this journey determined that I was going to make it work for the long haul. As an entrepreneur, I had to figure out strategies that worked for me and my never-sit-still hair-and-makeup artist lifestyle. That's when Hydroxycut Drink Mix came into play. I could throw it in my bag, and it was like having my added edge to ignite my journey. Plus, it doesn't hurt that the Wildberry flavor is delicious and might be my favorite." Twenty-two pounds later, Allison seems to have figured it out. With no magic pill, just the right strategies and tools in place, Allison made it work.

[1] Allison used the key ingredient in Hydroxycut (C. canephora robusta) with diet and exercise and was remunerated. Average weight loss in 60 days with the key ingredient was 10.95 lbs. with a low-calorie diet, and 3.7 lbs. in a separate 8-week study with a calorie-reduced diet and moderate exercise.

Meet Kelly's new co-host!

"It's been a memorable ride, and now I'm excited to pass the baton to Kelly's 'real' husband, Mark," revealed Ryan.

"It's very bittersweet. Ryan really loved working with Kelly," says a source. "He's definitely going to miss her the most."

SEACREST OUT!

Signing off! On Feb. 16, Ryan Seacrest announced he'll officially be leaving *Live With Kelly and Ryan* in the spring. "Working alongside Kelly [Ripa] over the past six years has been a dream job and one of the highlights of my career," said the TV personality, 48. "She has been an amazing partner, friend and confidante, and although we will always be a part of each other's lives, I will miss our mornings together." Ryan joined the daytime talk show in 2017 after Michael Strahan's sudden departure left Kelly, 52, scrambling to find a new co-host. "I'm so grateful to have spent the last six years beside my dear friend of too many decades to count," she gushed. "Ryan's energy, passion and love for entertainment is one-of-a-kind." Taking his place at the table will be Kelly's hunky husband, Mark Consuelos. The actor, 51, has already had plenty of practice in front of the cameras, having filled in for Ryan several times over the years. "Kelly's sad to see Ryan go, but she's excited to work with Mark. The last thing she wanted was another drawn-out search for a co-host. She really didn't want to deal with that circus again," a source tells *Life & Style*. "Mark is just as thrilled about co-hosting alongside his wife. He and Kelly start a brand-new chapter for *Live*." L&S

Priscilla Slams Bam:

YOU'RE A LIAR!

Firing back! Elvis' ex called Bam "a dishonest and unstable individual" and said that she hopes he gets "the help he needs."

All shook up! Priscilla Presley issued a strongly worded statement on Feb. 14 after Bam Margera claimed that he'd been given a ring and robe once worn by Elvis during a recent get-together. "When I was asked by my son [Navarone Garibaldi] to have a 'new friend' come over for a visit, I had no idea who he was or that later he would choose to post photos and false stories," said the 77-year-old. "At no time during the visit did I give him anything of Elvis'. I would never disrespect Elvis, who was the love of my life, by giving away anything that belonged to him." While the *Jackass* star, 43, has since apologized to Priscilla for filming in her home without her consent — "I'm very sorry and embarrassed," he conceded — Bam still maintains his newfound Presley memorabilia is, in fact, real, noting that Navarone was actually the one who gave it to him.

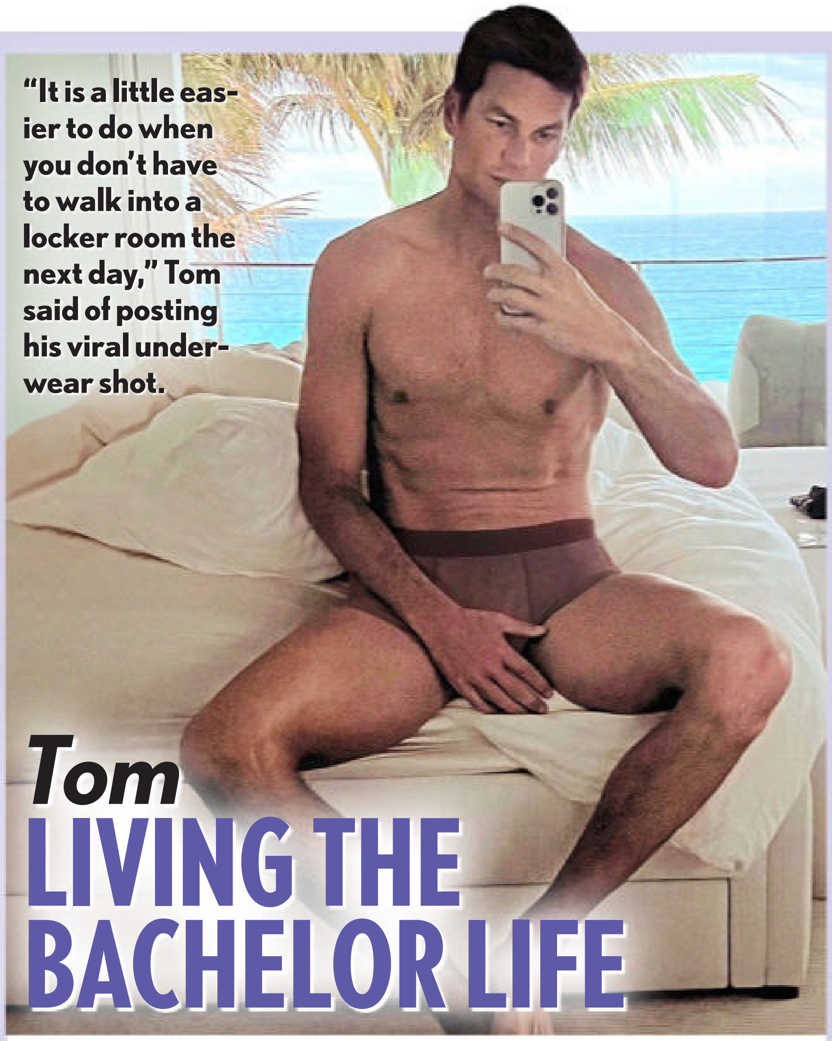
Expect less steam in forthcoming seasons of *You*, hinted devoted hubby Penn.

Penn's NUDE AWAKENING

No more hanky-panky! Penn Badgley revealed on his podcast that he asked to film fewer sex scenes during Season 4 of *You* out of respect for his wife, Domino Kirke. "Fidelity in every relationship, and especially my marriage, is really important to me," the actor, 36, explained. "It just got to a point where I don't want to do that. And they came back with a phenomenal reduction." While fans of the hit Netflix show may be disappointed, a source says Domino, 39, was "touched" by Penn's request. "She isn't the type to ever pressure him into something like this. It was totally Penn's decision," the source notes. "But it wasn't easy for Domino to watch. No woman wants to see her husband getting intimate with other women, even if it's just for TV."



"It is a little easier to do when you don't have to walk into a locker room the next day," Tom said of posting his viral underwear shot.

Tom LIVING THE BACHELOR LIFE

Really putting himself out there! Tom Brady posted a thirst trap on Instagram on Feb. 6, four months after finalizing his divorce from Gisele Bündchen. "Did I do it right?" asked the retired NFL star, 45. Not quite, joked his former teammates, who offered the QB some pointers. "You're not supposed to be covering up," said Rob Gronkowski. "You gotta show the package." Julian Edelman chimed in, too, assuring the seven-time Super Bowl champ that "practice makes perfect." While Tom promised not to share "too many more" photos of this nature, a source says he's trying his best to move forward: "Now that the football season is over, Tom is ready to start dating again."

Having second thoughts? "They haven't officially called off the engagement, but Megan has ditched the ring," reveals a source.

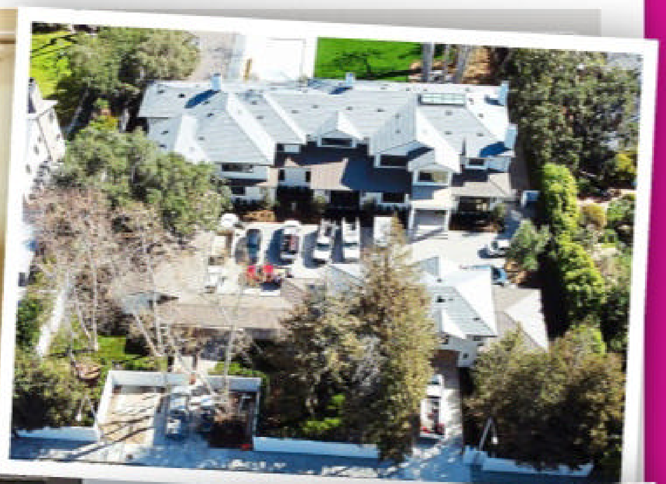
MGK to Megan:

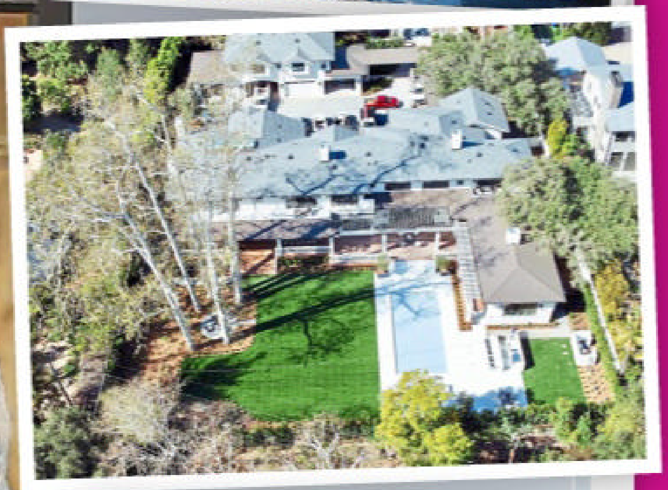
DON'T LEAVE ME!

Megan Fox and Machine Gun Kelly have hit a serious snag in their relationship, but *Life & Style* has learned they aren't done yet. The couple, who got engaged in January 2022, were seen leaving a California marriage-counseling office on Feb. 13. The actress, 36, wiped her eyes as she emerged from the building, while the musician, 32, followed behind with his head down. They exchanged a few words in the parking lot before leaving in separate cars. "MGK's taken her for granted for too long, overstepping the mark by continuing to lap up attention from groupies," explains a source. "Right now, Megan has suggested that they both get therapy and take some time apart so they can clear their heads." Megan hinted at infidelity on Feb. 12 when she posted lyrics from Beyoncé's album *Lemonade*. "You can taste the dishonesty/It's all over your breath," she captioned an Instagram photo. The star then deleted her account altogether. "MGK is willing to do anything Megan asks to save their relationship," the source adds. "They're going to therapy and plan to keep going. Neither of them really wants this to end." L&S

Ben & J. Lo's DREAM HOUSE

The search is over! After months and months of house-hunting, Ben Affleck and Jennifer Lopez are reportedly in escrow on a $34.5 million mansion in the Pacific Palisades. With seven bedrooms and 13 baths, the 15,000-square-foot estate has plenty of room for their blended brood: Violet, 17, Seraphina, 14, Samuel, 11, and 14-year-old twins Max and Emme. "The house is so huge you could get lost in it," says a source. "J. Lo's already thinking about having a huge housewarming party. It's a family home but also the ideal place to host and entertain."





Fitness fanatic J. Lo, 53, will enjoy the gym and health spa while director Ben, 50, gets a screening room with a popcorn machine.

With his Raya subscription renewed, the British rocker, 57, is "looking to date someone who's comfortable in her own skin," says the source, "and is great with his children."

Best Supporting Actress nominee Jamie Lee Curtis, 64, was among the stars enamored with Tom at the LA event.

Full of Gratitude

TOM'S *Hollywo Comeba*

od
ck!

After making some mistakes, Tom Cruise is back on top with an Oscar nomination for *Top Gun: Maverick* and a new love

Box Office Bank

Top Gun: Maverick, which features Jennifer Connelly, 52, as Tom's love interest, has earned nearly $1.5 billion worldwide.

Triumphant Return

Tom looked the movie star part at the Oscar Nominees Luncheon — his first red carpet in eight months. "He'd apparently tried fillers or Botox in the past and realized they weren't for him," spills an insider. "He's decided to age more gracefully moving forward."

Everyone wanted a piece of him. Tom Cruise stepped into the packed ballroom at the Beverly Hilton in Beverly Hills for the Oscar Nominees Luncheon on Feb. 13 and was mobbed — by other stars. Acting nominees Austin Butler, Brendan Gleeson, Paul Mescal and Michelle Yeoh, as well as directors Baz Luhrmann and Guillermo del Toro, made a beeline for Tom, eager to grab a photo and say hello. Iconic filmmaker Steven Spielberg, who directed Tom in *Minority Report* and *War of the Worlds*, also approached him to deliver a lengthy hug — in addition to high praise. "You saved Hollywood's a--, and you might have saved theatrical distribution," Steven, 76, told Tom. "Seriously, *Top Gun: Maverick* might have saved the entire theatrical industry."

At 60, Tom is thriving more than ever. Thanks to the wild success of 2022's *Top Gun: Maverick* — the first film in his 40-year career to gross more than $1 billion globally and the first to earn him a Best Picture Academy Award nomination as a producer — Tom's fortune has ballooned to $600 million. It's been one hell of a comeback for the man who hadn't released a movie since 2018 and left LA after selling his last property there in 2016 and relocating abroad. "Tom may have moved out of Hollywood, but he's back in the mix in the industry he adores and he's finally feeling the love again," says an insider. "He's telling people that this is his year. It doesn't hurt that he's now heading to the Oscars [on March 12] with a nod for such a huge blockbuster. Put it this way: Tom's back on top."

REDEEMING HIMSELF

Life hasn't been this good in a long time. Looking back, "Tom's able to own up to the fact that he's made some mistakes," including a few that have continued to haunt him, says the insider. He himself has admitted in the past, "I feel like definitely things have been misunderstood, and [there are] things I could have done better." But according to Tom, he's worked to turn those into opportunities for growth: "I never stop learning."

It's gained him respect among his colleagues. "Tom doesn't like to discuss his private life, not even really with friends, so everyone has stopped asking and mainly stick to talking about work, hobbies, etc., with him," says the insider. "They accept his boundaries and admire his business accomplishments, especially what he's done with *Maverick*."

The sequel to 1986's *Top Gun* was originally supposed to open in the summer of 2020. Tom fought to ensure it wouldn't meet the same fate as so many other big movies during the early days of the COVID-19 pandemic — debuting on streaming services instead of in theaters. "That's not going to happen. Ever," he vowed, delaying the release until last May, when it ushered in a return to moviegoing and delivered

He's Made England His Home

While shooting the upcoming *Mission: Impossible* movies in 2020, Tom lived in a two-story penthouse in London's Corinthia hotel. Last year, he reportedly moved to a house in a gated community almost an hour south in Kent.

spectacular box office results. "I make movies for the big screen," Tom confidently declared.

While the three-time Best Actor nominee didn't score a nomination for his performance in *Maverick*, his Best Picture nod is an epic consolation prize. "Tom's excited about attending the Academy Awards for the first time in decades," says the insider, noting that the action star last went to the Oscars as a presenter back in 2002. "The academy is ecstatic to have him participate."

SPECIAL SOMEONE

An important part of his private life is flourishing, too. Tom hasn't dated anyone publicly in the decade since his last divorce, though reports linked him to Hayley Atwell, 40, a new addition to his *Mission: Impossible* franchise, while they were filming the next installments (see sidebar). These days, says the insider, Tom's not with anyone famous. "He's dating a gorgeous woman in her late 40s whom he met through friends in London," says the insider. "She's not an actress — she works behind the scenes — and she's apparently funny, smart, stylish and stunning."

Even with three ex-wives, Tom hasn't given up on lasting love. "He'd like to get married again, which is why he's keeping this romance as private as possible for as long as he can," explains the insider. "Some of his friends think she's the one who will get him to settle down again. They're really into each other, and everyone agrees that Tom deserves happiness."

He wants fans to be happy, as well — and that might mean delivering a third *Top Gun* film. "Maverick has some gas left in the tank. He's not settling down," *Maverick* director Joseph Kosinski said in December of Tom's character, teasing a possible sequel. According to the insider, "meetings about making *Top Gun 3* have been happening behind closed doors. It's all very hush-hush, but Tom would love to have Miles Teller and Glen Powell back and wants to add some surprising A-list female stars."

This is Tom's moment. "He's living his best life," says the insider. "He says it feels really good to be back."

MORE SEQUELS IN THE WORKS!

Resurrecting a Dream Team

The success of *Top Gun: Maverick* might be the push that's needed to get a long-delayed sequel to Tom and Emily Blunt's 2014 hit *Edge of Tomorrow* in production. In 2021, Emily, 39, said she saw a script that's "in really great shape."

Extra *Impossible* Missions

Tom returns as spy Ethan Hunt in *Mission: Impossible – Dead Reckoning Part One*, the seventh film in the *M:I* franchise, this July. The flick includes the "most dangerous" stunt Tom says he's ever performed. *Part Two* hits theaters in 2024.

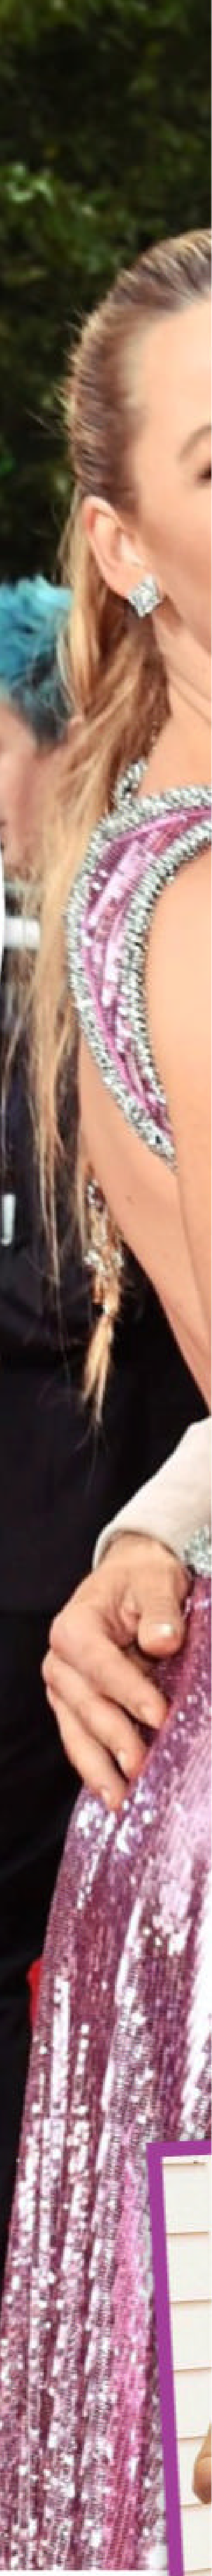
Ryan & Blake LIFE WITH 4 KIDS!

And baby makes six! Ryan Reynolds and Blake Lively add another tot to their brood

Chaos Ensues! Ryan has admitted that his family's "unpredictable" morning routine can spark "anxiety."



On Feb. 12, Blake Lively posted a shot of herself, hubby Ryan Reynolds and mother-in-law Tammy on Instagram with the cap: "Puppy Bowl Sunday 2023...been busy." In the snap, Blake, 35, looks effortlessly gorgeous in jeans and a black bodysuit, golden hair flowing. Noticeably missing, though? The *Gossip Girl* alum's baby bump.

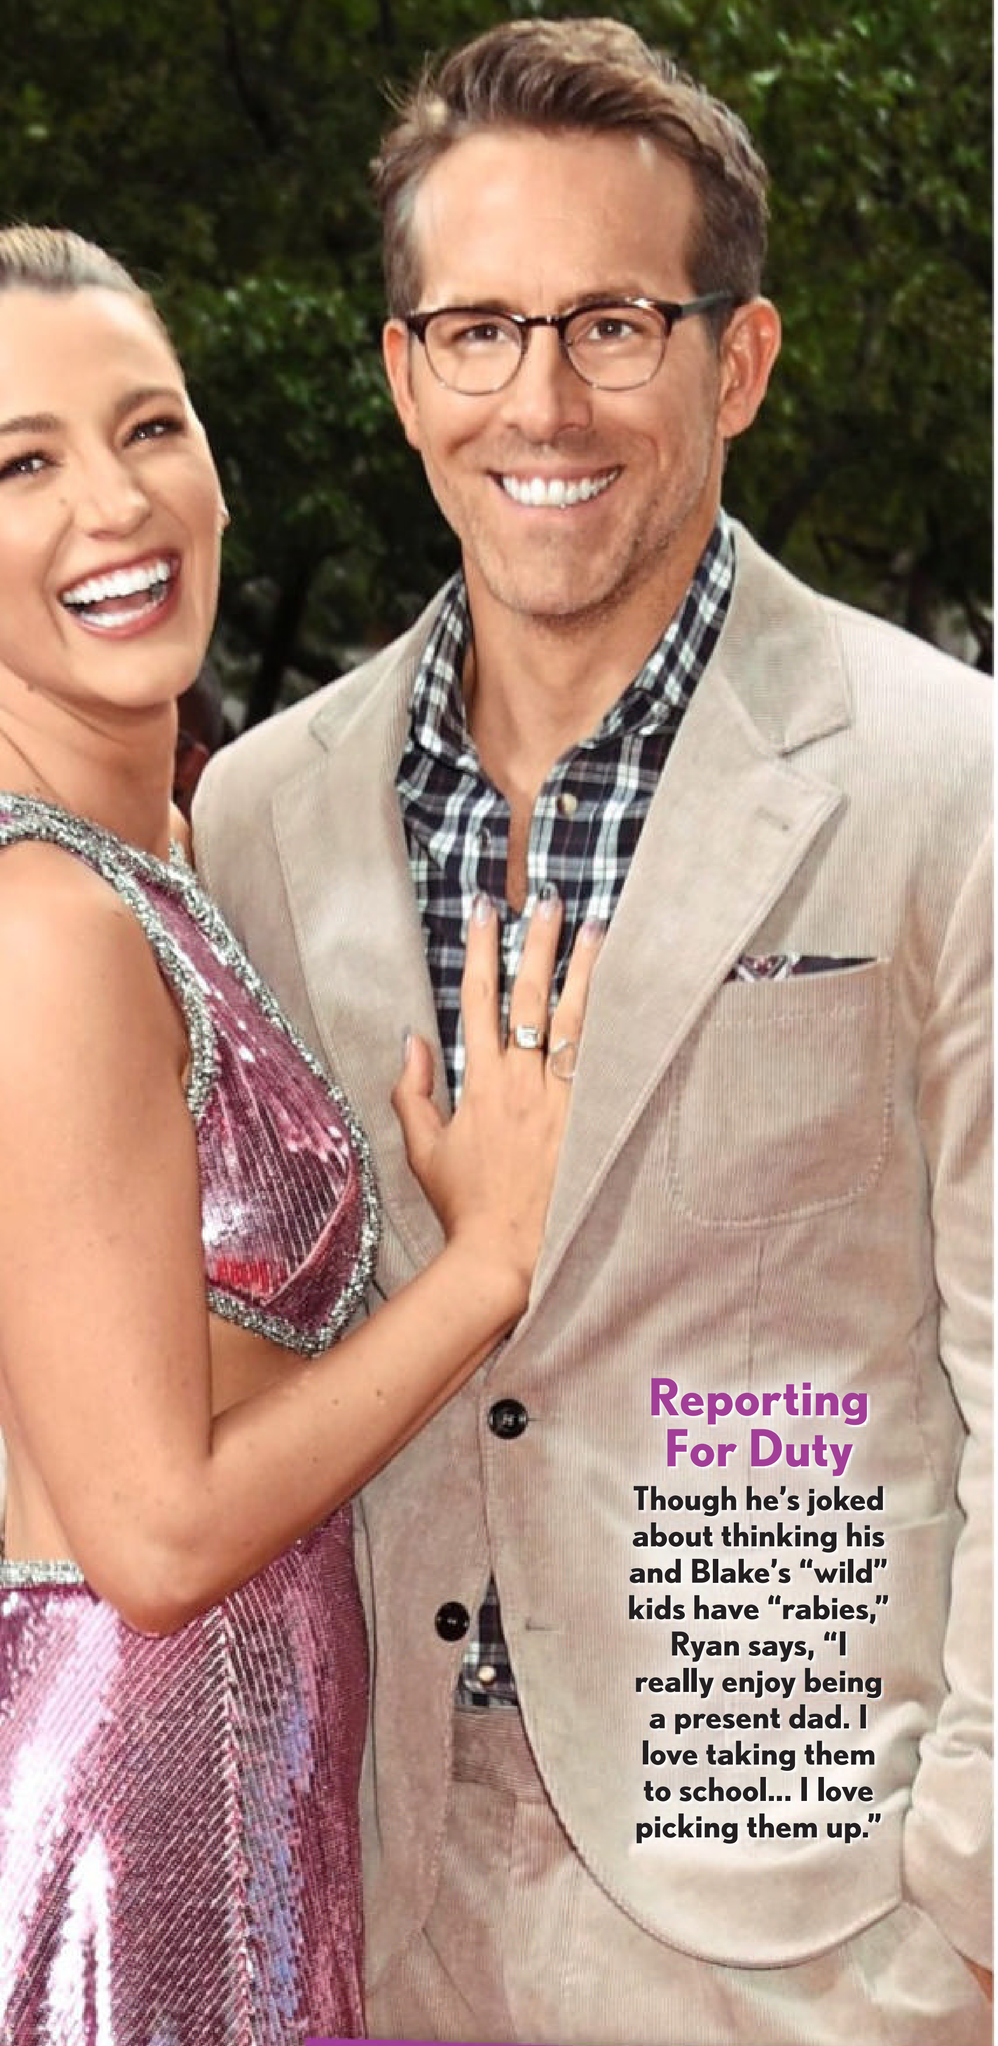
Five months after revealing her pregnancy, the post was her sly way of announcing she and Ryan, 46, had welcomed another child. That babe, whose gender and name the couple have yet to disclose, is the fourth for the pair, who wed 10 years ago and are already parents to three daughters — James, 8, Inez, 6, and Betty, 3 (yes, all found in their pal Taylor Swift's songs). "Blake and Ryan joke that it seems like they went from being newlyweds to juggling four kids overnight!" an insider tells *Life & Style*. "But they really do love the sometimes chaotic life that goes with having so many kids under 10. Honestly, it's been a pretty effortless adjustment for both of them."

RAISING 'EM RIGHT

The *Deadpool* star would be the first to admit that the seamless transition to a family of six is all because of his wife. "Ryan gives Blake full credit," shares the insider. "He jokes that he's clueless."

Kidding aside, Ryan takes his job as a dad extremely seriously. "He's very hands-on. He even took a sabbatical from acting last year to be with his girls because he didn't want to miss the once-in-a-lifetime moments," says the insider, noting both parents try to spend alone time with each of their children. "Ryan took James to England to cheer on the soccer team he co-owns in January. She loved it."

As the biggest sis, James is actually old enough to help out now, says the insider, and the couple also receive a lot of assistance from Tammy, Ryan's mom — which has proven invaluable. They may need all hands on deck for a few more years. "It's way too early, but Ryan and Blake have hinted they may not be done having kids," says the source. "They enjoy seeing their children think, face challenges and solve problems. They're very proud of raising aware human beings. That's what brings them joy, which is why there's always room for more." L&S



Reporting For Duty

Though he's joked about thinking his and Blake's "wild" kids have "rabies," Ryan says, "I really enjoy being a present dad. I love taking them to school… I love picking them up."

Whoa, Mama!

In September, Blake shared photos of her burgeoning bump, but she was back to a flat tummy by February.

IT'S A 2023 BABY BOOM!

Party of Five

Made to love! John Legend and Chrissy Teigen's two children, Luna, 6, and Miles, 4, got an adorable new sibling on Jan. 13: sister Esti. "Our house is overflowing with love and joy," shared the singer. "I'm so, so grateful."

Brood Situation

Gym, tan, laundry…lots of it! On Jan. 24, Lauren and Mike Sorrentino welcomed their second child, a girl named Mia. The *Jersey Shore: Family Vacation* stars are also parents to son Romeo, 21 months. "We couldn't be happier right now," said the proud dad.

Heir Apparent

That's hot! Thanks to the help of a surrogate, Paris Hilton secretly became a boy mom this year. The DJ revealed the happy news on Instagram on Jan. 24, but she and husband Carter Reum have yet to release the little one's moniker.

Daddy's Girl

"Dreams come true," first-time dad Shemar Moore declared when announcing the Jan. 24 arrival of his daughter. "Watch out, World. Here comes Frankie!" The *S.W.A.T.* actor shares the adorable newborn with girlfriend Jesiree Dizon.

Ballroom Bound?

Ready for his close-up! *Dancing With the Stars* pro Jenna Johnson gave birth to her first child with fellow hoofer Val Chmerkovskiy on Jan. 10. "My heart is forever his," she said of son Rome, "and my world is so much brighter with him in it."

They Go Way Back!

"Harry and Eugenie have been close since they were teeny-tiny," shares the insider. "They would always get up to no good together!"

Harry & Eugenie AN UNBREAK

While on the outs with the rest of the royals, Prince Harry remains close to cousin

It was exciting news. On Jan. 24, Princess Eugenie announced that she and husband Jack Brooksbank, 36, are expecting their second child. But cousin Prince Harry knew long before the rest of the world. "He was one of the first people she told," reveals an insider, adding that Harry and wife Meghan Markle "couldn't be happier for them. They immediately sent over some organic baby clothes with a handwritten note of congratulations."

It's par for the course for the royal relatives. Despite Harry's drama with the rest of their family, the 38-year-old and Eugenie, 32, have maintained the close bond that was forged when their mothers — Sarah, Duchess of York, 63, and the late Princess Diana — used to set up playdates at Kensington Palace in London. "They always have each other's back," says the insider of the duo, who used to "race bikes and climb trees" together as kids. "Harry and Eugenie are still as thick as thieves."

Rumor has it the pregnant princess is even eyeing a move to her cousin's new adopted hometown of Montecito, Calif. Now reportedly living with her growing family in Nottingham Cottage — where Harry proposed to Meghan, 41, in 2017 — Eugenie previously resided in NYC for two years. "She was one of the few people who was understanding when Harry and Meghan left England for the United States," says the insider. "Eugenie and Jack visited them in California last year and had an amazing time. Harry's been trying to persuade them to relocate there, too, and they checked out a few houses during the trip. He would be beyond thrilled if she and Jack became his neighbors!"

A TENSE MOMENT

Earlier this year, the cousins' relationship was tested, though. "The release of *Spare* and the interviews surrounding it ruffled Eugenie's feathers. She was like 'What the hell are you doing?'" dishes a source of Harry's memoir, which made unsavory accusations about Prince William, 40, Princess Kate,

ABLE BOND

Trusted Confidants

"Eugenie and Harry have a special connection," says an insider. "He's even confided in Eugenie over his own brother. She's a great listener."

Family Scuffle

According to a source, Eugenie worried Harry's memoir would hurt his relationship with dad Charles and sibling William. She was right!

Princess Eugenie!

41, King Charles III, 74, and Camilla, queen consort, 75. "It was the first time there had been a sense of awkwardness between Harry and Eugenie, and they went a few weeks without speaking."

Still, she never shut him out. "It was horrible, but once the dust settled and Harry explained why he wanted to get his side of the story out, she saw where he was coming from," says the source. "All Eugenie wants is for Harry to bridge the divide with the royal family." L&S

Their Kids Look So Alike!

Royally cute! When Eugenie posted a video of son August on Instagram in February to celebrate his second birthday, fans couldn't stop talking about how much the toddler looks like Harry's daughter, Lilibet. But the 20-month-old — and her brother, Archie, 3 (not pictured) — takes after the other side of Harry's family, as well, with their red hair. "The ginger gene is a strong one!" the prince, whose maternal uncle is also a redhead, has said. "The Spencer gene is very, very strong."

Allison
ASSISTED TINA

Allison Williams was still a college student when she got an early taste of the spotlight as an assistant to Tina Fey, 52. "I just wanted experience, and I wanted to get to know the business, and it was a great summer because she was finishing *Baby Mama* and starting *30 Rock*, so I kind of got to see, like, film and television," the *M3GAN* star, 34, told *Vulture*. "It was so informative. Not only did I learn a lot about the industry, but I learned a lot about New York City — just getting lost in cabs and not knowing where things were. I got to spend a day in the writers room of *30 Rock*, and I'll never forget it.... I just thought [Tina] walked on air."

The Office manager?!

Mindy, John & Ellie
INTERNED FOR CONAN

The Office isn't the only job Mindy Kaling, John Krasinski and Ellie Kemper have in common. Prior to appearing on the series, they all interned for late-night host Conan O'Brien! "He took the time to be nice and encouraging to me, even though I was weird and ineffective," shared Mindy, 43, adding she'd been such a fan, she'd used a quote of his in her high school yearbook. Meanwhile, John, also 43, recalled the 59-year-old running through "monologue jokes" with him backstage. But for Ellie, 42, it was more than a career stepping stone — she met hubby Michael Koman, 46, on set: "I was an old intern, and he was a young writer."

d for Other Stars!

A-listers did jobs for the jet set...

Jennifer

BABYSAT STEPHEN'S CHILD

Pre-fame, Jennifer Garner earned cash the old-fashioned way: babysitting. Her boss? None other than Stephen Colbert, who'd met Jen when she guest-starred on an episode of ABC's *Spin City* in 1996. The actress, now 50, looked after the 58-year-old late-night host's daughter with wife Evelyn, 59 – Madeline – while auditioning for roles and remembers loving their "gorgeous little girl. She was such a peanut and really smart."

Reese

PARKED DENZEL'S CAR

At age 14, Reese Witherspoon starred in *The Man in the Moon*. But years after the flick was released, in 1991, she was still paying her Hollywood dues – including by interning on the set of *Devil in a Blue Dress*. Among her duties? Parking Denzel Washington's car. Alas, the 68-year-old's sporty Porsche was a bit beyond her skill level. "Not a good idea for a 17-year-old kid with a brand-new driver's license," Reese, now 46, said on *Jimmy Kimmel Live*. "I stripped all the gears."

Meghan

MADE PAULA'S INVITES

Long before her own vow swap with Prince Harry, 38, Meghan Markle, 41, worked as a freelance calligrapher and helped Paula Patton and Robin Thicke, 45, with their 2005 wedding invites. (The pair divorced eight years later.) "She had this beautiful writing," Paula, 47, told *ET*. "That moment I feel like I said something to her like, 'You are really meant to be royal.' She was just so graceful and lovely and actually really kind."

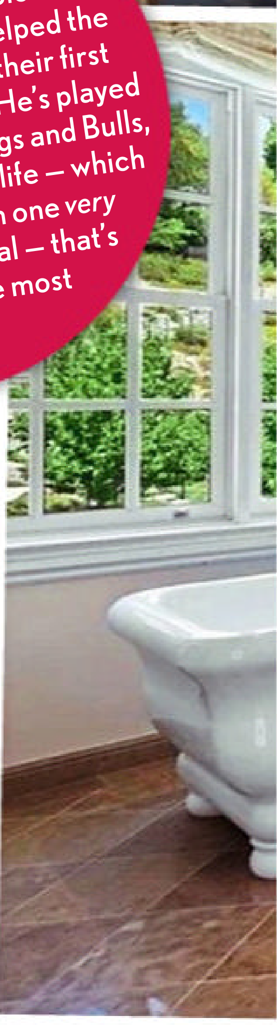
Keepin' Up Appearances

The massive 10,500-square-foot house in Hidden Hills, Calif., is right around the corner from his reality star ex's abode. With six bedrooms and nine bathrooms, there's plenty of space for when their two kids – as well as the 31-year-old's two children from other relationships – come over.

Courting Drama?

This guy was the fourth pick in the 2011 NBA draft and helped the Cleveland Cavaliers win their first championship in 52 years. He's played for the Pacers, Celtics, Kings and Bulls, too. But it's his messy love life – which has included more than one very public cheating scandal – that's perhaps made the most headlines.



Best of the Best

Built in 2010, the mansion boasts high-end everything — from chic soaking tubs and glittering chandeliers to chef-grade appliances and a temperature-controlled wine closet. There's also a sports court, swimming pool, spa and outdoor kitchen, where the free agent can entertain his next team.

Artistry to enchant you all season long

Kindness, hope, and big dreams. These are the qualities at the hearts of not only the beloved Disney Princess characters, but the holiday season itself. And when you add the luminous and inspiring work of cherished artist Thomas Kinkade…well the results are truly magical!

Each ornament in this series is fully sculpted from fine artist's resin, skillfully hand painted, and beautifully recreates each Disney Princess characters' iconic appearance and ensemble. The true focal point, though, is the artwork displayed on the gowns - a breathtaking work by Thomas Kinkade Studios depicting memorable moments in the character's story. Finally, as the perfect finishing touch, each ornament boasts fabric accents such as peplum belts or bows, and is suspended from golden cord so it can be easily hung from your tree.

Make your tree magical today!

The first issue of this magical series that you'll receive is "Belle." Then, once she is paid for in full, "Ariel" will arrive and then more issues to follow. Each ornament will be yours for two payments of just $19.98 (plus $5.99 s&s). That's a total of only $39.95 (plus s&s); cancel any time. Reserve your collection risk free today!
